CANCELLATIONS & REFUND POLICY

Due to the fact that we pay the university in advance for room/board and meals, some of these are Non-Refundable to us by the University. We understand that sometimes an INJURY occurs just before the camp and the goalkeeper is unable to participate. We also understand that players may be sick/ill prior to the start of camp. On both occasions, we would need a doctors note in order for us to be able to partially refund payment made.

If any goalkeeper withdraws from the camp, you will forfeit the $125 Non-Refundable fee. If any goalkeeper withdraws from the camp that paid in full, partial refund can be received if the following occurs:

- Injury that prevents goalkeeper from attending with a doctor's note
- Sickness/Illness preventing the goalkeeper from attending, with a doctor's note

Refund would consist of amount paid, minus the $125 NonRefundable Reservation fee plus a $125 Fee.

If any goalkeeper withdraws from the camp prior to start of camp, and this is due to being called to play for a club or play in a tournament or ODP state/regionals, we will refund the full amount minus the $125 NonRefundable Reservation fee plus $300 fee. This is what we calculated the amount we will need to still be responsible to pay the University.

Please understand there is significant amount of time and resources that goes into planning, upfront cost paid to the University, insurance, selecting roommates, planning sessions based on number of goalkeepers registered, jersey ordered, etc...

Our refund policies are more lenient than most residential camps.

You can also opt to transfer your payment to next year's ALL-OUT JR GK CAMP (you lose the $125 NonRefundable Reservation fee). It can only be applied to the ALL-OUT GK Camp.

If anyone registers from ALL-OUT GK Camp and withdraws 2 years in a row, you can no longer register for this exclusive GK camp.
